Workshop: Interpreting Basics

13 - 16 Jan 2019

- 04:00 PM - 07:00 PM
- [College of Humanities and Social Sciences](#)

This workshop presents the fundamentals of interpreting modes and techniques. Participants will be exposed to information processing, note-taking, and simultaneous interpreting.

Various texts and a variety of accents will be used in a state-of-the-art lab, in addition to conducting live exercises in the interpreting booth.

The workshop will be conducted in English and Arabic.
